Dear Meg,

Thank you and your team for providing us with the CAO's Assessment of local concerns in relation to Bankers Petroleum (IFC Investment No. 27306) in Albania.

Having followed the assessment process closely, we are pleased to hear that the complainants and Bankers Petroleum have agreed to work with your team using a collaborative fact finding approach.

As you are aware, IFC has been actively collaborating with the CAO team throughout this process and providing feedback, as necessary. We look forward to a successful collaboration that includes all parties under your auspices. The IFC teams remain at your full disposal, as required.

Sincerely,

Syed Gulrez Hoda
Director, IFC Infrastructure and Natural Resources
